THE HARDEST TASK THE WORLD OVER IS TO GET STARTED. HERE, HISTORY IS TO BE RECORDED. THE HISTORY OF APPALCHIA FOR THE YEAR NINETEEN THIRTY-FOUR. IT SEEMS AN IMPOSSIBLE TASK. INEXPERIENCE. A DESIRE TO EXCEL PREVIOUS YEARS. PAGE AFTER PAGE OF WHITE SPACE TO BE FILLED. IT MUST BE DONE . . . SO WE BEGIN.

DEDICATION

*To the Student Body of Appa-
lachian State Teachers College*

TO THE STUDENTS OF APPA-
LACHIA WHO HAVE PROVED
THEMSELVES TO BE OF THAT
FINER INNER SPIRIT WHICH
GOES TO MAKE MEN AND WO-
MEN WORTHY OF THE NAME.
TO THOSE WHO HAVE SHOWN
THEMSELVES TO BE HONEST,
FAITHFUL, AND TRUE TO
THEMSELVES AND THEIR ALMA
MATER, WE DEDICATE THIS
BOOK, *THE RHODODENDRON* OF
1934.

FOREWORD

THE purpose of the 1934 staff has been to put into pictorial form the events of true campus life as they have been during this year. We have endeavored to give throughout the book a touch of the real Appalachian spirit. We hope that the student body will feel that the book is theirs and in years to come will turn its pages, to live again some of the happy days, we spent together during our college career. If a true picture of college life can be gleaned from the pages of the 1934 RHODODENDRON, the staff will be repaid for its efforts.

Life in Appalachia

BETWEEN the walls and in the halls of our college, have taken place many constructive things. Ideas have been promoted, lives made fuller, richer, and happier by the contacts and associations we have had during our college career. As we enter into a new profession, we will pass on the valuable things taught us by our college. If in life we succeed we will owe a greater part of our attainment, to those who have made it possible for us to attend college and to those who have taught us while here. We hope that those who follow in our footsteps, will be instilled with that finer spirit and leave the college what we are leaving—our respect for, gratitude toward and appreciation of our ALMA MATER.

I Have Buildded A Shrine

From driftwood carefully gathered along the shore

I have buildded a shrine;

Others have more magnificent structures—and more

Driftwood—their arms have been longer than mine.

But four years I have gathered, and now my temple—

Weak where I am weak, strong where I am strong—

Is my only possession of triumph—

Frozen music—my only song.

No diamonds glitter there for the few passers-by;

Thieves, should they enter, wouldn't care

For the things they could find; to them, worthless—still I

Find the worlds I have hidden there.

It has cost me much, this temple abode—

Heartache and sleepless nights and tears—

This one stalwart corner is an inscribed ode

To one of those building years;

Yes, the cost has been great: to gather driftwood

Has meant many a futile trip;

I have built it slowly, as best I could;

I am proud of my craftsmanship.

My temple isn't decorated: I've only begun:

It can never be finished while I

Have eye to sight the bits of driftwood

That would pass the idler by.

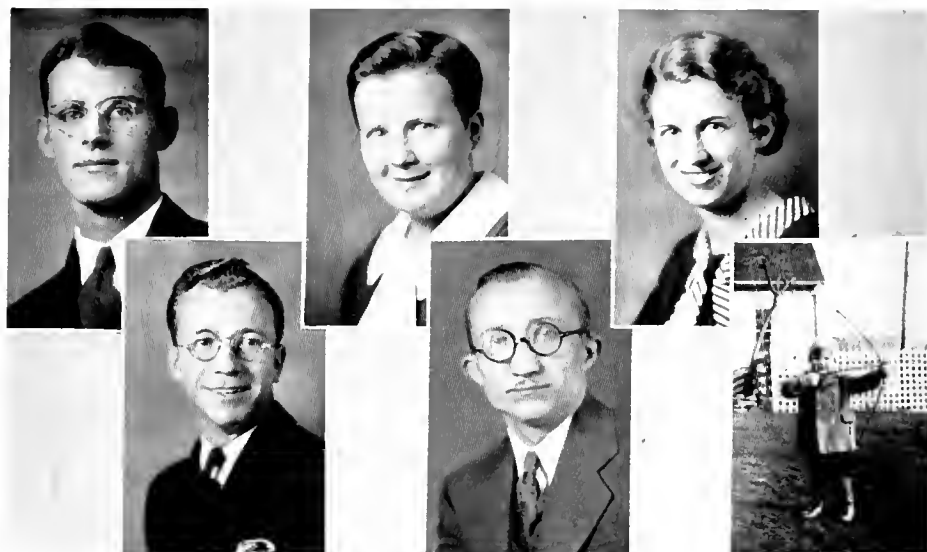

Forever, like the gulls, I shall haunt the shore.

Bit by bit I shall add to my shrine;

Driftwood is eternal; if I search out the more,

Whose arms can be longer than mine?

Mathematics and Science

Rankin-Wilson Literary Society (3); Playcrafters (3, 4); Glee Club (3, 4).

Coming to us from Mars Hill College, we are sure their loss is our gain. To one who has musical talent and a winning personality we are wishing much success. Step by step he is attaining his goal.

ALICE LEE NORA ABERNETHY
CORNELIUS, N. C.

Grammar Grade Education

Mitchell College. Treasurer of Phi Mu; Y. W. C. A. (1), Chaplain (1).

Modest, sincere, dependable—Nora Lee is a girl of noble character and high ideals. As a reward, she has a host of friends on the campus. Like a wise man she thinks much and talks little. She has a determination which will help her as she faces the problems of life. We visualize only happiness and success for her.

HELEN ELIZABETH ABERNETHY
VALE, N. C.

Primary Education

Dynician Literary Society (1, 2, 3, 4); Y. W. C. A. (1, 2, 3, 4); Glee Club (1, 2, 3, 4); Lily Dale Home Economics Club (3, 4); Vice-President (3), President (4); Presbyterian-Reformed (2, 3, 4), Council (3); Lincoln County Club (3, 4); New Dormitory Club (2, 3, 4).

Helen's vivaciousness, attractive appearance and friendliness have made her one of the most popular girls on our campus. She is ever willing to do her part in an efficient way. We feel sure that she will be a success in anything she attempts. We wonder what it will be. Here's to you, Helen.

ALLIE LUCILLE AUSTIN
MARSHVILLE, N. C.

Primary Education

Thalian Literary Society (1, 2, 3, 4); B. Y. P. U. (4); Lovill Club (3, 4); Assistant Librarian (4).

Along with a winsome personality goes the purity of heart, the happy disposition, and the talented capacity that make Allie the good sport, the ideal friend. We are sure she will achieve her goal, since she possesses will power and determination in unlimited quantities.

ELLA MAE AUSTIN
BOONE, N. C.

Science and Mathematics

One never thinks of Ella without recalling her smile. To those of us who know her best, she is as mischievous as anyone; yet she commands our respect and loyalty by her ability to think clearly through any problem that may arise. Her conversation is full of enthusiasm, love of life and people, and of ambition.

OLA MOSELLE BALL
STONY POINT, N. C.

Mathematics and Science

Thalian Literary Society (1, 2, 3, 4), Vice-President (3, 4), Treasurer (3), Critic (3); Y. W. C. A. (1, 2, 3, 4), Junior Cabinet (3), Cabinet (4); B. S. U. (1, 2, 3, 4), Council (2, 3, 4); New Dormitory Club (2, 3, 4); Assistant in Biology (3, 4).

In Moselle we find all the qualities of a good student—dependability, ambition, determination, perseverance—plus a spirit of loyalty and service that endears her to her friends. If something must be done at a definite time, in a definite place and manner, depend on Moselle. She believes that if a task is worth undertaking, it is worth doing well. For a person with such qualifications only success can be predicted.

OSCAR VICTOR BARKER
KNOXVILLE, TENN.

Letter Club; Football (1, 2); Basketball (1, 2, 3).

Oscar began his college work here with another class but came back to be with us this year. He has proven his worth to us and we can predict for him a brilliant future because he has the material in him that goes to make an ideal fellow.

HELEN ROSS BARBER
WINSTON-SALEM, N. C.

Primary Education

Thalian Literary Society (1, 2, 3, 4), President (3), Censor (2), Critic (4), Secretary (4); Y. W. C. A. (1, 2, 3, 4), President (3); Junior Cabinet (1), Cabinet (2, 3, 4); New Dormitory Club (2, 3, 4); Assistant in Art (3); Forsyth County Club, Vice-President (4).

Mix one part of beauty with two parts of intelligence, add a dash of artistic ability, a pinch of mischievousness, and combine all with some essence of common sense. Then place two little devils behind two grey-green eyes and you have the lovable little scamp that we know as "Rossie." But in Helen we have the serious—the thoughtful leader who has inspired and thrilled us with her incomparable abilities.

ALTONIA BEAM
CROUSE, N. C.

Grammar Grade Education

Dynician Literary Society (1, 2, 3, 4), Secretary (4); Y. W. C. A. (1, 2, 3, 4); B. Y. P. U. (1, 2, 3, 4), Vice-President (3); Y. W. C. A. Dramatic Club (4); Student Volunteer (4); Lovell Club (1, 2, 3, 4); Lincoln County Club (3).

The red-headed girl who doesn't show temper is a pal among pals to her many friends. Serious sometimes, fun-loving ever, sensible always—that's Tony. She came to college four years in order to be the possessor of a college ring. Any reason is better than none.

EVELYN BINGHAM
BOONE, N. C.

Physical Education and Mathematics

Dynician Literary Society (2, 3, 4); Y. W. C. A. (2); Letter Club (3, 4); Ph. Ed. Major Club (3, 4); Basketball Varsity (1, 2, 3, 4); Volley Ball Varsity (4); Tennis (1, 2, 3, 4); Swimming (3); Gold Basketball Varsity (3, 4); Gold Hockey Varsity (3, 4); Gold Baseball Varsity (3, 4); Gold Volley Ball Varsity (3, 4); Hockey Honorary Varsity (3, 4); Ping-Pong (4); Captain of Gold Team (4); Volley Ball Coach (2); Watauga County Club (1); Town Club (4); Methodist Club (2).

Here's to the best all-round member of our class, and to a winner. "Eve" is one of those rareties who puts her whole self into any task; whether it be games, studies, or campusology she is always "all" there. She is popular, jovial and a genuine athlete. With all these qualities she is well equipped to grapple with any problem.

ANNA PAULINE BINGHAM
BOONE, N. C.

Mathematics and Physical Education

Dynician Literary Society (1, 2, 3, 4); Hockey Team (3, 4); Swimming Team (3, 4); Intra-Mural Volley Ball (3, 4); Intra Mural Basketball (3, 4); Physical Education Major Club (3, 4); Tennis Club (2); Y. W. C. A. (2, 3), Reporter (3); Methodist Club (2); New Dormitory Club (2).

Blushes and smiles combined give "Polly" her greatest charm, and she does both on all occasions. Athletic and literary ability combined make her one of the rare few and attest to her talent and intelligence. Thoughtful, friendly and kind must be used in describing her—and with all of these it's no wonder that she has been called the pollyanna of our campus.

MARY LEE BINGHAM
SUGAR GROVE, N. C.

Grammar Grade Education

W. C. U. N. C. (1).

Mary Lee's beautiful eyes tell tales. She thinks in her modesty, that what she really is and does is safely hidden, but always they give her away. Sometimes they snap with the fun and joy of life, and again they are filled with quiet dreams. They reveal a deep earnestness of purpose, a quiet acceptance of difficulties and a generous friend-making disposition. We wonder why she does not specialize in Home Ec. for . . .

PAUL ROBERT BLEVINS
JEFFERSON, N. C.

Grammar Grade Education

Rankin-Wilson Literary Society (1, 2, 3, 4), Chaplain (2), Censor (3); Ashe County Club (1, 2, 3, 4), Secretary (3), President (4).

"Poodle," the campus pet. His ready wit and a joke for every occasion have made our would-be frowns, smiles. He is not too gay, but a good mixture of fun and frolic, with just the right spicing of seriousness. He is one of those few people who has not slighted social activities for those of a more serious nature. However, he's a winner.

RACHEL ANNETTE BOWMAN
TAYLORSVILLE, N. C.

Grammar Grade Education

Thalian Literary Society (2, 3, 4); Y. W. C. A. (2, 3, 4); B. Y. P. U. (2, 3, 4); White Hall Club (3); New Dormitory Club (4); Teacher Training Department (1).

Rachel is a girl who possesses all the qualities that go into the making of a superior student. She is capable, dependable, and has a jolly disposition coupled with the ability to make friends and to hold them. We expect to hear from her in the future.

CLARENCE A. BRASWELL
COLLETTSVILLE, N. C.

Mathematics and Science

Appalachian Literary Society (2, 3, 4), Chaplain (2), Secretary and Treasurer (4); Y. M. C. A. (2); C. R. Council (2), President (2); Intra-Mural Swimming (3, 4); Business Manager of RHODODENDRON (4); Manager of Basketball (2); Treasurer of Class (4).

Clarence is one of the most popular students on the campus. His studious attitude and vivacious personality have proven him to be outstanding. Friends? Yes, everyone with whom he comes in contact. Clarence's scholarship and versatility have convinced us that he is one of our best. Success is all we can see for him.

FRANK HERMAN BRASWELL
NEWLAND, N. C.

Grammar Grade Education

Rankin-Wilson Literary Society (1, 2, 3, 4).

Frank reaches his highest round of satisfaction in being different. If the masses say "Nay," that's reason enough for Frank to say "Yea." His seriousness in acquiring facts ranks him as the best student in the Senior Class. His ready wit and easy acquaintance make him desired socially. Dame Rumor has it that Frank is a victim of Cupid's darts. But who can tell?

ETHEL BRINTLE
MOUNT AIRY, N. C.

Primary Education

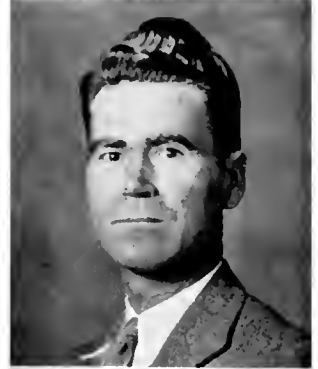

Thalian Literary Society (1, 2, 3, 4); Y. W. C. A. (1, 2, 3, 4); Lovell Club (1, 2, 3); New Dormitory Club (4); Methodist Club (1, 2, 3).

Ethel is a sincere friend for anyone. Petite and blond, with her ready smile and cheerful disposition, she has won a place in the hearts of all who know her. Her only weakness is for athletes, especially football players. For a girl so sweet, there is certain to be success.

DEWEY EUSTICE BROOME
MONROE, N. C.

Dewey is a dependable, hard working kind of person, and may be relied upon to do his best in all that he undertakes. Although he takes his work seriously, he still takes time to be a friend. His high ideals coupled with his steady perseverance are sure to bring him success.

VIRGINIA LEE BEACH
WINGATE, N. C.

Primary Education

Thalian Literary Society (4); Y. W. C. A. (3, 4); Union County Club (4).

Virginia has won a place for herself among the students at Appalachian. Her pleasing personality and winning smile have won for her a host of friends. She has a keen sense of humor that will help her in obtaining the best things in life. We wish for her great success and happiness.

EDNA VIRGINIA BROWN
REIDSVILLE, N. C.

Dynician Literary Society (1, 2, 3, 4), Censor (2); Y. W. C. A. (1, 2, 3, 4); B. S. U., Secretary (4).

One must really know Edna to appreciate her fine qualities. She is a girl of high ideals and strength of character. She is conscientious in everything she undertakes, and works faithfully without making a fuss over what she is accomplishing. She is a true friend, and a dependable pal.

EULA MARIE BUCKNER

MARS HILL, N. C.

Primary Education

Dynician Literary Society (4); Y. W. C. A. (4); Mars Hill College (1).

Big-hearted, fun-loving, yet quiet and modest—that's Eula. Instead of "Dignified Senior," her baby face has won for her the title of "Freshman." "Come on, Eula, let's go to walk." "I don't believe I want to; I've got to study 'cat-ology' and nutrition." We are sure that Eula's pleasing personality combined with her love of knowledge will make a success for her. Good luck, Eula.

MARY LAUNA CARENDER

MATNEY, N. C.

Grammar Grade Education

Thalian Literary Society (1, 2, 3, 4), Representative (2), President (4); Y. W. C. A. (1, 2, 3, 4); Intercollegiate Debator (1, 2, 3); Letter Club (2, 3, 4), Treasurer (2).

Big words like intelligent, original and dependable may be applied to Launa, but they do not tell of the friend who has made the gay things just a little bit gayer and the difficult things just a little less difficult. She is one of that almost extinct species of people who thinks for herself and that ability has enabled her to become a real conqueror in the debating field. Incidentally, her two weaknesses are cats and men—freshmen preferred.

MARY CHRISTENBURY

STATESVILLE, N. C.

Grammar Grade Education

Thalian Literary Society (3, 4); Y. W. C. A. (4); New Dormitory Club (3, 4); Mitchell College (2, 3); Presbyterian Reform Club (3, 4).

Coming to us from Mitchell College in '32, Mary has proven to be a sweet girl and a true friend. However, she seems to have a weakness for a certain young man. We are sure Mary will make a big success in whatever field of life she chooses. We are expecting great things of you, Mary!

OLLIE COFFEY

EDGEMONT, N. C.

Grammar Grade Education

When it comes to singing Ollie is a nightingale. She is a ardent supporter of the glee club. We often wonder how one so small can radiate so much sunshine and happiness. To know Ollie is to know one of the best, friendliest girls on our campus.

JAMES HOWARD COLLINS
MOORESVILLE, N. C.

Mathematics and Science

Appalachian Play Crafters (3, 4); Rankin-Wilson Literary Society (1, 2, 3, 4); Secretary and Treasurer (3); Letter Club (3, 4); Wrestling (3); Treasurer of Class (3).

Howard's theory seems to be that to have friends you must be one. He is our youngest class member. His record here indicates to us that he will succeed wherever he goes. Good grades, good looks, and a good personality are only a few of his admirable qualities.

JAMES H. COMBS
HILLSVILLE, VA.

Physical Education and Mathematics

Rankin-Wilson Literary Society (3, 4); Debating Club (3); Football (3, 4); Mountain Park Junior College (1, 2).

"Jim" is the type of boy that is popular on the campus. Possessing a keen sense of humor, combined with an exceptionally keen mind, he is sure to make a success of anything he undertakes. "Jim," we're counting on you to make a great success.

STEVE L. COON
LINCOLNTON, N. C.

Mathematics and Science

Appalachian Literary Society (1, 2, 3, 4); Critic (3); Chaplain (4); Football (2); Intra-Mural Sports (3, 4); Lincoln County Club (1, 2, 3, 4); Vice-President (3); B. S. Club (3, 4); College Club (4); Assistant in Biology (4); Y. M. C. A. (1).

To know Steve is to admire him. He has friends because he is a true friend. Dependability, intelligence, dignity and quietness are qualities that will make Steve's life a success just as his college career has been. Congratulations, "Cass," we have confidence in you and are betting on you.

PEARL JOSEPHINE COWLES
BOONE, N. C.

Grammar Grade Education

Take superior intellect, common sense, a bit of frivolity, charming personality, ability to do everything well from driving a car to graduating *cum laude*, and mix well with plenty of grit. Add a spice of indifference. The result is Pearl Cowles. She will be an asset to any school unless she decides to hie away to "a little white house in the big 'Black Hills' of Dakota."

MARJORIE CRISP
GROVER, N. C.

Physical Education and Science

Phila Retian Literary Society (1, 2, 3, 4), Censor (2), Representative (4); Y. W. C. A. (1, 2, 3, 4); Physical Education Major Club (3, 4), Secretary and Treasurer (3); Letter Club (2, 3); Tennis Club (2, 3), Vice-President (3); Varsity Basketball (1, 2, 3, 4), Captain (4); Varsity Baseball Team (2); Varsity Volley Ball (3, 4); Varsity Hockey Team (3, 4), Captain (4); Swimming Team (3); Captain of Black Major Team (4); Sports Editor of RHODODENDRON (4); Manager of Baseball (2); Manager of Basketball (2); Vice-President of Class (3); H. T. O. L. Club (2, 3, 4), President (2, 3); Lovell Club (1, 2, 3, 4), President (2, 3, 4).

Everybody knows her—everybody likes her! With her athletic ability, pleasing personality, friendly disposition, and good sportsmanship, she is a typical college girl. Her place at A. S. T. C. can be filled by no one else. It is unequally her own. Best o' luck to you, Marge.

MARK DAVIS
CHINA GROVE, N. C.

Mathematics and Physical Education

Appalachian Literary Society (2, 3, 4); Play Crafters (3, 4); Class President (4); Organization Editor of Annual (4).

An outstanding man on our campus—else why is he Senior class president? He has added scholarship to the efficient management of his class. His connection with every activity has brought him much popularity and respect. Success must necessarily come to a person like Mark.

WATT ASA DEAL
STATESVILLE, N. C.

Mathematics and Science

Appalachian Literary Society (4), Censor (4); Baseball (3); Rutherford College (1, 2).

Here's a lad who is a bit different. Quiet, unassuming, yet a forceful leader in emergencies, he doesn't worry about petty things or waste energy. Study hour is study hour, but it's time for fun when it's over. Take it from Justice Junior, and—of course—White Hall, he's all right.

MARY FAYE DELLINGER
SHELBY, N. C.

Primary Education

Dynician Literary Society (2, 3, 4), Chaplain (2), Critic (3); Y. W. C. A. (2, 3, 4); Lily Dale Home Economics Club (3, 4), Secretary (4); Cleveland County Club (3); New Dormitory Club (2, 3, 4).

Sincere, lovable, a friend to all, always scattering sunshine wherever she goes. One who is admired by everyone and whose splendid qualities make a solid foundation upon which her high ideals and ambitions are built. We predict for her a future with much happiness and success.

MARY REBECCA DICKERSON
SALISBURY, N. C.

Mathematics and Physical Education

Dynician Literary Society (1, 2, 3, 4); Vice-President (3); Censor (4); President (4); Physical Education Major Club (3, 4); Secretary and Treasurer (4); Intra-Mural Volley Ball (3, 4); Intra-Mural Basketball (3, 4); Swimming Team (3, 4); Y. W. C. A. (1, 2, 3, 4); Methodist Club (1, 2, 3, 4); Vice-President (2); New Dormitory Club (3, 4).

Rebecca seldom speaks, but when she does she says something worth listening to. She works quietly and capably, without making a fuss over what she has accomplished. Her lovable ways have won for her many friends.

ZEB VANCE KITCHIN DICKSON
HELTON, N. C.

Science and Mathematics

Glee Club (1, 2, 3); Rankin-Wilson Literary Society (1, 2, 3, 4); Operettas: Bells of Beaujolais, Count and the Coed, Pepita (Principal); Cheer Leader (3, 4); Intra-Mural Sports; "Junior Class Song" and "Societies" in Annual (3); "Pep Song" (4); Vice-President Glee Club (3); President Rankin-Wilson Literary Society, Winter Term (4).

We shall never forget Zeb. Take music out of life and what have you? Zeb is music and full of it. His participation in Glee Club and campus activities has been outstanding. At writing verse, he excels. With Mahoney to set his lyrics to music, we feel sure he will sometime be famous.

HUGH A. DOBBINS
LEGERWOOD, N. C.

History and Mathematics

Appalachian Literary Society (1, 2); Y. M. C. A. (1, 2); Current History Club (4); International Relations Club (4); Letter Club (3, 4); Class Basketball (3, 4); Manager of Football (3).

Hugh has been with us all along the highway of progress in our college days. His jolly smile and optimism have kept everyone who has come in contact with him in good spirits, and his helping hand has added a great part in making for him a great number of friends.

EDWIN SHELL DOUGHERTY
BOONE, N. C.

Science and Mathematics

Appalachian Literary Society (3, 4); Glee Club (1, 2, 3, 4); Y. M. C. A.; Orchestra.

Happy, care-free, jolly—in fact a sparkling bit of wit and humor. He is possessed with a brilliant mind and a congenial, winning personality. The biggest fault we find with him is his adoration of women. Energetic and always ready for the next thing that turns up, he's the same "Ed" whenever you see him—on the campus, at home, today, tomorrow. Good-natured, optimistic, looking for the best in everything.

NAN ELLIS
GAFFNEY, S. C.

Primary Education

Thalian Literary Society (3,); B. Y. P. U. (4); Lovill Club (3, 4)
W. C. T. C. (1, 2).

To the onlooker Nan is very quiet and reserved. To those who know her best she is a laughing, loving girl, tripping lightly through life. Everyone finds her always dependable and good natured. With her good sense of humor, practical jokes, and high ideals, we predict for her great success in life.

FRIEDA FARTHING
BOONE, N. C.

Frieda's friendly smile and fine personality have been assets to her in winning many friends at A. S. T. C. She is ambitious and always willing to undertake hard work. Her ability combined with these other characteristics will bring her success in whatever she tries to do.

Thelma is a very likable girl, friendly, jolly, and good-natured, although frank and happy-go-lucky. She has made many friends during her two years with us and has proven to be a faithful friend to all. We know she will make a success wherever her ship is anchored.

GORDON L. GOODSON
LINCOLN, N. C.

Rankin-Wilson Literary Society (4); Letter Club (3, 4); College Club (4); Basketball (3, 4); Baseball (3, 4); Lincoln County Club (4); Rutherford College (1, 2).

"Shine" has been with us only two years, coming to us from Rutherford College, but due to his personality he has become more prominent than many who have been with us four years. His pleasant smile, ready wit, and willingness to lend a hand make him a friend indeed. "Shine," may the rest of your life be as it has at Appalachian—a success to you and yours.

MARTHA LEOTA GREENE
MAPLE SPRINGS, N. C.

Primary Education

Dynician Literary Society (2, 3, 4); Home Economics Club (3, 4), Vice-President (4); Y. W. C. A. (1, 2, 3); New Dormitory Club (2, 3, 4).

Faithful in duty, reserved in disposition, unaffected and kind in manner, is "Lee" to a "T." She loves and trusts people and likes to help them. She finds the world a splendid place, and faces it optimistically. What is she interested in anyway? Serving is a hobby—where will she fit in? Anywhere, but best in a well equipped kitchen where she can employ her skill in cooking.

PLATO WHITTINGTON GREER
TODD, N. C.

Science and Mathematics

Some people are liabilities to a college, while others are assets. Plato has distinguished himself as a real asset in work or play—he has been all efficiency. He is one of those trustworthy people that can be depended on to do the work and do it well. What more can you expect of a man?

A dreamer of dreams, but not so vague that they do not come true. If you want to see "Rene" happy, have something around to eat, the smile that quickly closes her eyes, and the "goody" that is sure to escape from her lips give evidence of her weakness. If you are looking for a real friend, a rare pal, "Rene" fills the bill. The ability, originality, and sincerity with which she has attacked problems of the Y. W. C. A. and other organizations have made us wonder how one small "nit-wit" could do so much.

Coming to us as a graduate from Wingate Junior College, Ann has won a place in the hearts of all who know her by her kind sympathetic disposition. It is difficult to measure the content of a man's college years, but we shall venture that Mathew has obtained from his college life a maturity and breadth of mind that are essential to an educated man. Mathew has faced difficulties and conquered them. In his conscientious way he has done his duty, regardless of consequences, which has commanded for him the respect of all.

A little difficult to catalogue of a certainty. Acceded a place in the order *Homo Sapiens*, however. A peculiar combination brewed of sympathy and spiciness. The possessor of a great fund of energy finding expression in numerous activities. The owner of a mind bent not on cold calculation but friendly helpfulness.

A man equipped with Earl's reasoning ability and cool head has no fear of "the cruel old world" that comes after graduation. In all activities in which he has participated he has not merely been a participant, but a leader. As editor of the RHODODENDRON, we could have found no better. His competence, efficiency, dependability, and congeniality have won for him many lasting friendships, and at least one ardent admirer.

Evelyn comes from a place where warm breezes blow and birds sing; she is an ideal specimen from just such a place. She is quiet, calm, and has a profound liking for quiet, comfortable home life. She says she is preparing to teach. Probably so.

JOSEPHINE JONAS

LAURA JOYNER
HAMPTONVILLE, N. C.

Primary Education

Vernician Literary Society (2, 3, 4), Treasurer (3); Glee Club (3, 4).

One of the most popular girls in the class is Laura. Her friends are numbered by her acquaintances. She says she has never believed in letting her studies interfere with her education. She is full of pep and keeps right up with everything. Something of friendliness, and genius, combined with a great many other admirable traits, make her a worth while student and a valuable friend.

GLADYS KECK
SNOW CAMP, N. C.

Physical Education and Science

Thalian Literary Society (2, 3, 4), President (4); Y. W. C. A. (2, 3, 4); Lily Dale Home Economics Club (3, 4); Physical Education Major Club (2, 3, 4); Honorary Volley Ball Varsity (3, 4); Intra-Mural Sports (2, 3, 4); New Dormitory Club (3, 4); Methodist Club (2, 3, 4).

Keck has been an ideal student while at Appalachian. Her marked interest in sports and her executive ability, which she has been called upon to exercise frequently, have not restrained her in her scholastic achievements. Merry—yes! A laughing, "loving" girl is she, tripping lightly through life and taking all its hard knocks. We wonder how the campus will do without her.

RAY KNIGHT
TRADE, TENN.

Grammar Grade Education

Rankin-Wilson Literary Society (2, 3); Debating (3); Rutherford College (1); Ashe County Club, President (3).

Even in this day and age we still find occasionally a man known as "a woman-hater." Ray is the reserved type that doesn't have much to say; yet, when he speaks it counts. We predict for him a brilliant and successful future, for he is one who has made much of opportunity.

JOHN LACKEY
FNOIR, N. C.

Science and Physical Education

Rankin-Wilson Literary Society (3, 4); Letter Club (3, 4); Secretary (4); Football (2, 3, 4); Basketball (1, 2, 3, 4); Baseball (1); Class Secretary (3).

When the students elected John to be the most versatile person they made a wise selection. He has proven himself worthy of this title by his outstanding ability to make friends and by his participation in varied campus activities. Success awaits him and we bid goodbye to him with a sincere feeling of regret.

BYRON W. LATHAN
MONROE, N. C.

Rankin-Wilson Literary Society (3, 4); Secretary and Treasurer (3); Debating Team (3, 4); Current History Club (3, 4); President (3); Vice-President (3); Y. M. C. A. (4); Letter Club (4); International Relations Club (4); President (4); Union County Club (3, 4); President (3); Wesley Club (4); University of North Carolina 1931-1932.

"Whatever it is, I'm ag'in it" can't always apply to Byron even though he was voted our class pessimist. He is sincere, earnest, studious and a very efficient worker. It can be truly said of him, that he never quits any task until he has done his best by it. With such perseverance we are sure to hear from him in the future.

FAYE B. LEDBETTER
ASHEVILLE, N. C.

Grammar Grade Education

Thalian Literary Society (3, 4); B. Y. P. U. (3, 4); Asheville Teachers College (1, 2); White Hall Club (3); New Dormitory Club (4).

Faye came to us in her Junior year. Her congenial, friendly, and magnetic personality has attracted to her hosts of friends. She is a thorough student, but never too busy for extra curricular activities. She has poise and dignity, with just a touch of mischief to warrant the statement that Faye is just loads of fun.

VIRGINIA LINDSEY
WADESBORO, N. C.

Vernician Literary Society (1, 2, 3, 4); President (2); Secretary (3); Treasurer (3); B. S. U. Council (1, 2); Y. W. C. A. (1, 2, 3, 4); Y. W. C. A. (2, 3); Lovell Club (2, 3, 4).

When we think of Virginia we always think of the best, for truly she is an ideal. Friendly, sympathetic and a jolly good sport—that's "Jenny." These qualities, together with her high scholastic record, have made her a capable leader. Sarcastic—but watch the home town girl make good!

(3, 4).

If a vote were taken for the most popular girl, "Rusty" would surely be elected. Daily is at home in any company, and at Appalachian in all company. She is one girl who does not follow the crowd, but the crowd follows her. Happy-go-lucky though she may be, you can always count on her to take part in all extra curricular activities. With all these qualities, we're sure you'll succeed in anything you undertake.

Coming to us from South Carolina, Sadie has not only won friends and honors for herself but for her own state also. She was voted the most influential girl in Y. W. C. A. All the characteristics of a good student are possessed by Sadie. Appalachian will obtain few to equal her.

Phila Retian Literary Society (4); Y. W. C. A. (1, 4); White Hall Club (4); Methodist Club (4); Elon College; N. C. C. W. College.

Stacy comes to us from Elon, bringing her peculiarities. She talks her roommates to sleep and cries half of the time. Her mind is her only vice. Her morals are excellent and her sympathetic heart will help those in distress. As for the men, she likes 'em, loves 'em, and leaves 'em, saying, "O! you troublesome things."

HUFFMAN M. MCCALL

Mathematics and Physical Education

Rankin-Wilson Literary Society (2, 3, 4), Secretary and Treasurer (4), Censor (3); Y. M. C. A. (1, 2); Manager Intra-Mural Sports (1, 4).

"Mac," as he is known to his friends on the campus, is quiet, dignified and dependable. Without the long face of the scholar, he has carried on his work consistently; without loss of his dignity, he has thumbed his nose at the conventions of Learning—and, even as he did it, caught and held Knowledge for his very own. Luck "Mac," we'll miss you.

The right person in the right place. This is true of "Mac"; she can always be depended on, especially when it comes to mothering homesick Freshmen. We know that the teaching profession will profit by having her; so here's all the luck in the world, "Mac"; you deserve it.

Optimism and wit are his greatest assets, and he has an abundance of both. Expect an abundance from the world, and you won't be disappointed.

GEORGE G. O'NEILL, JR.
RUTHERFORDTON, N. C.

Science and Mathematics

O'Neill is one of those students who does his work in a quiet unassuming way; always to be relied upon. One of the finest compliments we can pay him is: that he never expects more of others than he is willing to do himself. A task of his is never slighted. He has pluck and persistence, and a person with these two qualities will surely succeed.

Lovable, good-natured, dependable, a friend to all, that's Ossie. While at Appalachian she has made a splendid record. Because of her high ideals and strong character, we predict a glorious future. "She's not a 'Comedy of Errors' nor a 'Midsummer Night's Dream'; but take it 'As You Like It,' she's just what she seems."

CLOVER, S. C.

Primary Education

Dynicman Literary Society (2, 3, 4), Secretary (2), Vice-President (4); Y. W. C. A. (1, 2, 3, 4); Erskine College (1).

Rebecca is one of those finest combinations of true nobility, true likeability, and true reliability that we have ever known. She is not big in inches, but she is big in mind and heart, and has an unexhaustible good nature. She is the best pal ever, a girl who can be most efficient and serious when occasion demands; yet a gay, charming friend to all of us.

RUTH D. PROFFIT
DENNY, N. C.

Primary Education

Phila Retian Literary Society (1, 2, 3, 4); Y. W. C. A. (1, 2, 3, 4), Home Economics Club (4); Wilkes County Club (2, 3, 4); New Dormitory Club (2, 3, 4).

Loyal in work, sincere in friendship, true in love—with these characteristics a happy and successful future are assured her. Her ability and determination command respect and admiration. Her high ideals and ambitions which are built on a solid foundation will bring the best that life has to offer.

GENEVA RAGSDALE
LENOIR, N. C.

"Happy and from care I'm free;
Why aren't they all contented like me?"

"Geeva" is a veritable fountain of joy, forever bubbling over with happiness. She studies hard—how to have more fun. She's a gay companion and a good sport. With this disposition, and her ability she is sure to succeed.

TOM BROACLUS REDMOND
BOONE, N. C.

Grammar Grade Education

Appalachian Literary Society (2, 3, 4); Glee Club (1, 2, 3); Football (1, 2); Tennis (2, 4); Swimming (3, 4); Intra-Mural Basketball (4); Volley Ball (4); Baseball (4).

Those who know Tom have found him to be a hard worker, an accommodating friend, and a true gentleman. Although Tom is always faithful in his scholastic duties, he is able to devote quite a bit of his time to the ladies. Polk County may be justly proud of Tom as one of her representatives.

ZELMA V. RICHARDSON
SPARTA, N. C.

Primary Education

Alleghany County Club (2, 4); Town Girls' Club (4); U. T. T. (4).

Zelma is a good student with friendly, but quiet and modest ways. Her many friends wish her success in teaching, house-keeping, or whatever she chooses to do.

SIGMON TRUST ROBESON
TAR HEEL, N. C.

Physical Education and Mathematics

Monogram "A" Club; Varsity Wrestling (3, 4); Football (4).

"Sig" came to us from Presbyterian College. In him we find ability and determination to make good. Although he doesn't devote all his time to books, for he must find time for football and wrestling, and especially to go to see his girl at least once a day. His greatest ambition is to get married and settle down. Luck to you, "Sig."

JEWEL ROBINSON
CRESTON, N. C.

Grammar Grade Education

Dynician Literary Society (1, 3); Lovill Club (1); Ashe County Club (1, 2, 3, 4).

Jewel is jolly and full of life. She always greets people with a smile. Her personality has won for her a large number of friends. We are sure Jewel will make good in life.

PAULINE ROGERS
MEBANE, N. C.

Grammar Grade Education

Thalian Literary Society (1, 2, 3, 4); Y. W. C. A. (1, 2, 3, 4); New Dormitory Club (2, 3, 4); B. Y. P. U. (1, 2, 3, 4).

Probably "Polly's" most outstanding characteristic is her sincerity. Her friendship is valuable for "she faileth not, even in adversity." She is a rare compound, noble and true, with plenty of good sense and humor; a good combination for success in this world. With her culinary ability we wonder why she is in a teachers' college.

MARVIN H. ROUSE
KANNAPOLIS, N. C.

Grammar Grade Education

Director of B. Y. P. U.; Y. M. C. A. Officer.

Your competence, dependability, good judgment and foresight, your chief characteristics, will enable you to make a success in most any field you might choose to follow, whether it be that of a teacher or preacher. Your sincerity, determination, and good disposition enables you to make friends easily.

T. O. L. (2, 3), President (3).

"Eggie," as she is affectionately called, is probably the best loved girl on the campus. Along with her sunny, cute ways goes a sincerity and seriousness of purpose not often found combined in one person. Her scholastic background, her enthusiastic, friendly disposition, her training in extra-curricular activities, plus her educational ideals predict success for her in the teaching profession—providing her career in this field is not shortened by one not quite so altruistic in nature!

NETTIE F. SHARP
HARMONY, N. C.

Grammar Grade Education

White Hall Club (1, 2, 3, 4).

Harmony and beauty are necessary essentials in your life. You are capricious in your moods and like things "different." You never cease to be entertaining to your friends. Your love for those about you enhances to a great extent your already refreshing and sweet personality.

KATE SALLIE SHORE
YADKINVILLE, N. C.

Grammar Grade Education

Dynician Literary Society (2, 3, 4); Y. W. C. A. (4); New Dormitory Club (2, 3, 4).

Kate is a gem with her good-natured, friendly disposition. She is "not too serious and not too gay, but a rare good friend in a rare good way." With these qualities we are sure she will have the best of success and happiness throughout life.

Rankin-Wilson Literary Society (2, 3, 4), President (2), Vice-President (2); Intra-Mural Sports (3, 4); College Club (4); B. S. Club (3, 4); Y. M. C. A. (1).

John D. is a great big handsome man with a head full of ideas that he continually expresses. Serious enough to make a good student and gay enough to make friends which makes us sure that he will succeed. Best wishes John D.; the world is waiting to be conquered.

Better known as "Red." He is an "All-State Tackle." and, as a sideline, he hurls baseballs and toys with the wrestling game. He plays a dashing game of love, too. (Here we would refer you to certain of the fairer sex.) Luck to you, "Red," in athletics and—

P. L. SMITH
TODD, N. C.

"Preacher" is a faithful student who rattles over the hills in his Ford every morning to attend classes. He is a good preacher, and a good friend to all who come in contact with him. We expect him to do great things in the ministry.

CABARRUS, N. C.

English and History

Y. M. C. A. (1, 2); Appalachian Playerafters (3, 4); Appalachian Literary Society (1, 2, 3, 4); President (3); Basketball (1); Volley Ball (3); Advertising Manager RHODODENDRON (4); Class President (1); English Assistant (4); Intercollegiate Debater (1, 2, 3, 4); Intercollegiate Orator (2); Intercollegiate Extemporaneous Speaker (2, 3).

"Soss" would be an asset to the life of any college campus; to ours he has been indispensable. Debater, orator, newspaper reporter, honor student, assistant in English—how could any student be more? Reliability, efficiency and congeniality characterize our Leroy. It will be very difficult to find someone to replace him. "So long, 'Soss,' you old hypnotist."

JOHN STATON
PEACHLAND, N. C.

Grammar Grade Education

Appalachian Literary Society (3, 4); Wingate Junior College (1, 2); Wake Forest (3).

Mr. Staton is planning to enter the field of ministry. He seems to have been truly molded for a preacher. He is dependable and sincere, always willing and ready to do his part in any task. He is considerate at all times, studious too—and a friend to all. Mrs. Staton adds "he has made a mighty good husband."

JOHNSON HOWELL STEELMAN
HAMPTONVILLE, N. C.

Science and History

Rankin-Wilson Literary Society (4); Critic (4); Current History Club (4); International Relations Club (4).

Johnson has proven his ability to make friends and be a good student—what more could a man wish for? Very seldom disturbed and never pessimistic, an ardent supporter of campus organizations—we'll miss a man of that type on our campus. Here's to you, Johnson, we predict a brilliant future.

MRS. HAZEL HOPPERS TAYLOR
LAUREL SPRINGS, N. C.

Grammar Grade Education

Alleghany County Club (2); Critic (2); Town Club (4); U. T. T. (4); L. M. U. (3).

Hazel is unusually pretty, unusually intelligent, and we would add, unusually sarcastic. She has a personality that cannot be resisted. We predict for her a bright future, whether it be carrying on as Mrs. Taylor or as an entrancing divorcee. Motto: "Why take life so seriously? You'll never get out of it alive."

VELMA A. TAYLOR
EAST BEND, N. C.

Primary Education

Phila Retian Literary Society (2, 4); Y. W. C. A. (4); Methodist Club (4); White Hall Club (4).

Higher morals and lovelier smiles you may never find on our Appalachian campus after Velma leaves it. She is a friend to us all and has endeared herself to us by her witty sayings; such as, "Love nobody, trust nobody, like them all," and "Remember, young man, I can live without you."

ERMA ESTELLE TEAGUE
KING'S CREEK, N. C.

Primary Education

To have a mind very much your own and be able to use it is an admirable trait. That is what we find in Erma. She is an "A" student, a talented musician, a jolly companion, and a sincere friend. Everyone on the college campus knows her as "Erma," even to Dr. Rankin and Professor Norton. Boone will be a loser when commencement day comes and she has to be "transferred."

EDITH MARGARET THOMAS
FRANKLINVILLE, N. C.

Physical Education and Science

Dyniclan Literary Society (1, 2, 3, 4); Censor (4); Physical Education Major Club (3, 4); Hockey Varsity (3); Volley Ball Varsity (3, 4); Swimming Team (3); Intra-Mural Volley Ball (3, 4); Intra-Mural Basketball (3); New Dormitory Club (4); Lovill Club (3); H. T. O. L. Club (3); Y. W. C. A. (3, 4).

"Who's afraid of big tall men?" Not Tommy. In fact, we're afraid the teaching profession will not be lucky enough to get her. Eh, Cagle? She is one of the best all-round and most popular girls on the campus. An excellent student, good athlete, good in music, she excels in anything she attempts.

GERTRUDE VANCE
NEWLAND, N. C.

Primary Education

Dyniclan Literary Society (3, 4); Lily Dale Home Economics Club (3, 4).

This girl is one of our best classmates. She works diligently and in harmony with those concerned. Her departure will be missed by the whole institution and especially the many friends she has made on the campus and in the classrooms.

HARRIETTE DUVALL WAGG
RUTHERFORD COLLEGE, N. C.

Grammar Grade Education

Thahan Literary Society (3, 4); Y. W. C. A. (1, 2); Playcrafters (4); Methodist Club; New Dormitory Club (3, 4).

For one so small, "Hat" Wagg possesses a great amount of energy. Her sparkling personality dispels all unhappiness in its wake. Because of her smile, friendliness, wit, ever-ready conversation, and unselfishness, she is one of the best-liked and most admired girls on the campus. For her we predict success.

GRACE WAGONER
LAUREL SPRINGS, N. C.

Mathematics and Physical Education

Phila Retian Literary Society (1, 2, 3, 4); Tennis Club (3, 4); Physical Education Major Club (3, 4); Alleghany County Club (3, 4).

Grace has been outstanding in all of her class work and as we see her leave this institution we know that the educational world and the teaching profession is gaining a valuable addition. Her many friends are wishing her a great success.

RAY WALKER
NEVA, TENN.

Physical Education and Science

Football (1, 2, 3, 4); Basketball (3, 4); Letter Club (2, 3, 4).

Walker is the same good fellow on the campus that he is on the football team, and his easy-going manner makes him a part of any group. The world is gaining a splendid fellow when Ray graduates.

MARVIN M. WARD
EAST BEND, N. C.

Mathematics and Science

Once you know "Peanut" you have found a friend. He is one of the best students in our class. His intellect, optimism, and friendliness are qualities that make him liked by all who know him. His record in college assures him of a successful career. We're wishing you luck, "Peanut."

EMERSON WARDEN
LAUREL SPRINGS, N. C.

Science and Physical Education

Handsome, reserved, intellectual and ambitious—these characteristics have made "Barrymore" one of the outstanding members of the Senior class. We are wishing for him the greatest success in his future undertakings.

Physical Education and Mathematics

Phila. Retian Literary Society (1, 2, 3, 4), Vice-President (3), Chaplain (3), Vice-President (4); Physical Education Major Club (2, 3, 4); Manager Volley Ball Team (1); Alleghany County Club (1, 2, 3, 4), President (3), Vice-President (2), Secretary and Treasurer (4); Lovell Club, President (2), Vice-President (4); Presbyterian Club (1, 2), Secretary (1), President (2).

Zenna possesses all those choice qualities found in college students. She is pretty, dignified, respected, intellectual, and with it all—common sense. Her ideas and ideals are praiseworthy. She insists upon a "preacher man" for her "better half." Her second choice will be a college president. Good luck to you, Zenna.

LOIS PAULINE WATSON
ALBEMARLE, N. C.

Grammar Grade Education

Glee Club (1, 2, 3, 4); Thalian Literary Society (1, 2, 3, 4).

Precious things come in small packages. This is true of Lois. She is a real asset to our glee club—in fact one of the main springs. But there is another summary—one who has kept a spirit, wholesome, happy, unchanging, a disposition to be admired, a friend one likes and remembers and that is Lois.

MARY ALLENE WOOSLEY
WINSTON-SALEM, N. C.

Mathematics and English

Thalian Literary Society (3, 4); Physical Education Major Club (3, 4); Intra-Mural Volley Ball (3, 4); Black Volley Ball Team (3); Black Hockey Team (3, 4); Honorary Varsity Hockey Team (3, 4); Salem College (1, 2).

Allene's keen intellectual ability and pleasing personality have won her many friends and admirers among the students and faculty of A. S. T. C. during her two years here. She is willing to do her part in work or play, which makes her a good sport and a lovable person.

IVO WORTMAN
CASAR, N. C.

History and Physical Education

Letter Club; Football (1, 2, 3, 4); Basketball (1, 2, 3, 4); Baseball (1, 2, 3, 4).

Reserved, athletic, good looking and intelligent; these qualities characterize "Bo," and make him an outstanding student. With your physical and mental powers, we are expecting to hear of your many accomplishments. Success awaits you, Ivo.

MRS. J. T. C. WRIGHT
BOONE, N. C.

The Class of '34 feel honored by her membership. Although an ambitious housewife, she is a conscientious student, not being satisfied with making honor grades for herself, she is ever willing to help others. We know she is happy and her ambitions will carry her far.

BERTHA HARVIE WILSON
DANVILLE, VA.

Primary Education

Miss Wilson's life seems to be made up of friends, flowers, books and "A's." Although she comes to us as an experienced teacher, she has fitted into the college routine excellently. Her friendly disposition, understanding smile, and winning personality have made her one of the most popular students on the campus.

JOHN DAVIS YORK
BOTTOM, N. C.

Appalachian Literary Society (3, 4); Football (4); Basketball (1, 2, 3, 4); Baseball (1, 2, 3, 4); Intra-Mural Swimming (3, 4); Intra-Mural Basketball (2, 3, 4).

York is the handsomest boy of our class and of the campus, but he does not let that interfere with his ardent disposition and friendly manner. He will succeed in that which he undertakes, because he is a hard worker and can be depended on to do his share of that which should be done.

In Retrospect

THIS part of the campus will be remembered by every student as the place where many happy moments have passed on Sunday afternoons. Here lives have been made fuller, richer, and happier by the contacts and associations of our social life. Many individuals have been instilled with the love of nature and of a companion that will last on and on through the pleasures and toils of life.

Junior Class Song

Does the road wind upward all the way,

Or through desert and moor and fen?

Through heat of day, or cold and gray,

Or through many a dreary glen?

But in the desert and oasis sweet

On the moor a sprig of heather,

A silver gleam on the fen's dark stream,

Are our two years here together.

Varsity Football

The football team, supervised by Coach Garbee, won seven games and lost two, while meeting the strongest teams ever played by our college. The team scored at least seven points in every game. The play of the senior line, Captain Johnson, Loy, Wortman, Walker, Smith and Mahoney was outstanding. In the backfield, Trippany and Tripplet carrying the ball, with Stines, Weaver and Plaster doing the blocking. In spite of the loss of seven Seniors, the college expects to have a good team this season.

FRESHMAN FOOTBALL

The Freshman football team under the supervision of Coach Cash, had a very successful season. They did not win all their games, but some of the men will hold a place on the varsity this season.

LETTER CLUB

The Letter Club for boys and girls was organized this year. These individuals have taken part in one or more of the major sports of our college. Many students in this group are not only good athletes but are leaders in other campus activities.

SWIMMING

The courses offered in swimming are among the most popular in the Physical Education curriculum. The courses range from those designed for the rank beginner to training for life saving work. Although the pool has not the proper length for regulation meets, much has been done in the intra-mural field. The ultimate aim of all the courses is to develop in the students a consciousness of the beneficial results and the possible dangers to be encountered in swimming sports. The four experienced instructors in swimming are drawn from the regular faculty of Appalachia.

TENNIS

Tennis is an important sport but the unfavorable seasons makes it difficult to train a team for competition with other colleges. Our team is selected by an elimination tournament, which gives the men a chance to put forth their best effort. The capability of our coach, G. L. Sawyer, makes it possible for our boys to receive excellent training in this sport.

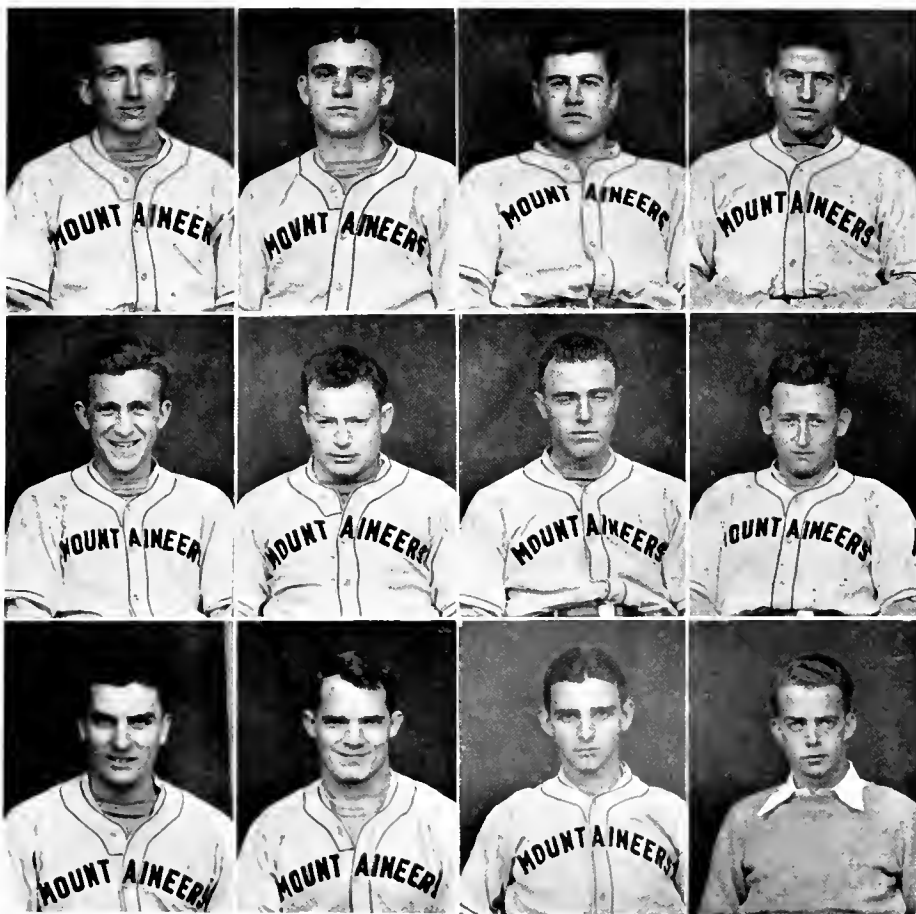

VARSITY BASKETBALL

Playing a new style of slow breaking offense, our team failed to look impressive until the last five or six games of the season. Co-Captain McConnell scored 228 points this season, but was not the only star. The offensive work of all the forwards was good—Brown, Oehler, Davis and Lackey, the latter continuing his smooth floor play that has made him a star for the past three years. Co-Captain Mostella was forced out of play early in the season by an injury. "The twins," Baucom and Rudisill, formed a great pair at guard, with Deal and Weaver ready to take their place at any time.

FRESHMAN BASKETBALL

"The Baby Mountaineers" were slow at the beginning of the season, but ended the season by winning the last six games. The outstanding men on the team were Anthony, forward; Painter, guard; Pyatte, guard.

WRESTLING

The wrestling team enjoyed the best season in the history of the sport at our college, defeating the University of Tennessee twice, Duke, and Knoxville Y. M. C. A., only losing two meets to Maryville. Last season they won the Northwestern North Carolina Tournament, and will compete for championship again this year.

TAG FOOTBALL

Tag football is one of the Intra-Mural sports that is enjoyed by everyone. Each team has its own coach and manager. The coaches of the various teams select the players. Tournaments are held and the weaker teams are eliminated. Above is the winner of this tournament.

LIFE SAVERS

Appie Daniels, Annie Daniels, Tine Shipman—these girls are the only three American Red Cross Senior Life Savers in school. They are excellent swimmers and have proved themselves worthy of their badges. By spring there should be others added to this list.

SWIMMING

The interest in this sport is keen. Many have learned to swim, swimmers have improved and divers have been made. In the meet, the Golds won, but were hard pushed by the Blacks. Every type of stroke, race, drive, relay and stunt was put into use, bringing out our potential champions.

Physical Education Major Club

The Major Club, divided into the Golds and Blacks, sponsors all athletic programs put on by the Physical Education Department. This year its biggest feature was the presentation of the point system. This system makes it possible for every girl in college to try for a college monogram, letter and blanket, by earning so many required points in each activity. Booklets explaining the system were given to each girl interested.

The intra-mural tournaments have met with great success. The basketball tournament represented every club, society and dormitory for girls.

VOLLEY BALL

Sixteen teams, made up of 160 girls, turned out for the round robin tournament. From this tournament class teams were selected and on inter-class eliminations the Seniors won the silver trophy, which will be awarded each year to the winning class team.

PING PONG

Ping Pong was added to our list of sports this year. It is a fast game and requires speed, action and skill. These champions were selected from the student body, by elimination tournaments. These students are the best players on our campus.

HOCKEY

Intra-mural hockey ended its second successful year with the Golds winning from the Blacks in the intra-mural tournament at the close of the season. The new playing space and hockey goals helped the playing situation greatly and leaves for next year great possibilities in this new sport.

SOCIETY SONG

May thy followers be as plants grown up in youth,
 Each maid a corner-stone polished with love and truth;
 A rainbow always to the storm of life,
 Each member never knowing hate or strife.

CHORUS

Dear Thalian Society, how we love you;
 For thou didst point us to paths of truth;
 We'll always love you truly
 Dear Thalian Society, Master of Truth.

SOCIETY SONG

All hail, Dynician Society
 We sing our song of praise;
 May we bring honor to your name:
 Your banner all our days,
 To you we will be loyal,
 And ever staunch and true;
 And give our best endeavors
 Dynician, dear, to you.

Dear Appalachia of the hills,
 We lift our hearts to thee,
 In love and reverence ever,
 When we must severd be,
 Dynician, still the tide of love
 That binds our heart so true,
 Will serve thee through the coming years,
 Dynician, we love you.
